## UNIFIED TAG TEAM CHAMPIONSHIP: SATURDAY NIGHT SPECIALS Â© vs. DANGEROUS MIX

**DDK:**

Welcome to DEFtv 166 - Night 1!

**Lance:**

We are on our second stop on the path to our biggest show of the year and we have, as always, a packed night of exciting DEFIANCE action and surprises.

**DDK:**

Indeed we do, Lance. We'll get to everything as this broadcast progresses, but starting us off tonight is a big bout with huge implications for DEFCON as The Saturday Night Specialists defend their Unified Tag Team Championship against the team that pinned them two weeks ago, The Dangerous Mix. Only one of these teams can head into DEFCON as the tag team champions.

The Faithful explode!

**DDK:**

And we're not wasting any time!

The Saturday Night Specialists walk through the curtain - both "The Innovator" Brock Newbludd and "Black Out" Pat Cassidy are wearing a championship belt AND have another one slung over their shoulder. Bringing up the rear with the final belt over his shoulder is their manager, Davey LaRue. LaRue is all smiles and trying to get The Faithful riled up, whereas the champs don't do any of their usual playing to the crowd - they are all business as they walk with purpose and attitude toward the ring.

**Lance:**

I had a chance to speak to The Saturday Night Specialists backstage earlier today, Keebs... and to say they have a chip on their shoulders after that no-title loss to Dangerous Mix two weeks ago would be an understatement.

**DDK:**

Dangerous Mix earned this title shot after pinning the champs at DEFtv 165 - and there's loads on the line here.

Newbludd and Cassidy are in the ring and each take position at the top of opposite turnbuckles and holding their championship belts high. While they are playing to The Faithful, their faces are all intensity and seriousness. They reach through the ropes to hand the belts off to LaRue. As their theme dies out, Pat Cassidy motions for - and is granted - a microphone.

Pumped up from the surprise championship opening match, the Faithful let out a reflexive pop from the sound of the bell.

The God-Beast and Milwaukee's Beast both walk out of their respective corners with matching looks of determination. Despite the high tension, Newbludd sticks a fist out towards Mushi, and the big man bumps it with one of his own.

**Lance:**

A little showing of respect between Newbludd and Mushi right there. They might be co-workers, and even friends, but tonight they're putting all that hold with the gold on the line.

**DDK:**

Might be a rough day at work over at Ballyhoo for both of them tomorrow.

The two men circle each other and then COLLIDE for a stiff collar and elbow tie-up. Both men jockey for position in the ring but Mushi's raw power begins to drive Brock backwards. With only a step between himself and the ropes, Newbludd stomps the ground and lowers his base to get under his bigger opponents.

**Lance:**

Mushi might only have an inch on Brock, but sometimes that's all it takes.

Newbludd's sudden leverage stops Mushi's progress and the former sumo star wrestles an arm free from the tie up and raises it to crack him with a forearm to the spine. Just as The Golden Goliath gets his cinder block sized forearm all the way up, Brock breaks the tie up completely and shoots one of Mushi's legs. He stumbles backwards as Newbludd powers up and takes him down to the mat with an amateur style dragon screw.

One more well placed punch from Brock causes Mushi to finally drop him down. Throwing his hands up in disgust, Fox backpedals back to his corner just as Mushi rises. Favoring his knee slightly, he growls in anger and locks eyes with Black-Out.

As The God Beast tries to regain a vertical base, Cassidy is there with relentless falling elbows to the mush (i?), stunning the larger man every time he's about to get up. The feed cuts to backstage, where we spot CHRIS TRUTT wandering the halls. He's approaching the door to the boiler room, when we can hear what sounds like ominous organ music coming from the other side.

♪ "Toccata and Fugue in D Minor" by Johannes Sebastian Bach ♪

The junior reporter has a pensive look upon his young face, but nevertheless adjusts his tie and steels himself before knocking on the door. It creaks open on its own. From the darkness within, there's a flicker of fire light.

"Heh heh heh heh..."

The evil chuckle from within gives Trutt a moment of pause, but like a teenager in a slasher flick, curiosity gets the better of him as he pushes the door open the rest of the way and steps into the WrestlePlex's spacious boiler room...

**Chris Trutt:**

...Rezin?

Chris sees two rows of candles forming a path and casting the large, looming shadow of a twisted human being against the far wall. At the base of that shadow, going to town on the keys of a pipe organ like some Phantom of the STRAWpera, is DEFIANCE's resident Goat Bastard, REZIN.

**Chris Trutt:**

Oh Geezy Parcheesi... how did that even get in here?!

The junior reporter puts aside this logic lapse in the laws of physics as he creeps forward, guiding along by the candle-lit trail as if marching toward an epic RPG boss encounter. The Escape Artist's goat-head-over-a-pentagram tattoo is on full display as he sits with his back to Trutt and the camera.

He turns briefly back to the pipe organ to turn off the "Demo" mode, and the spooky organ music immediately cuts out. Then he turns his attention back to the junior reporter.

**Rezin:**

The Goat Bastard smiles wide at Trutt, seemingly unaware of the eyesore smack dab in the middle of his forehead. There's something off about his smile. It's not the usual shit-eating grin of marijuana-induced delirium. It's much darker

Rezin blinks, and with the flip of a switch, backs off the camera and recomposes himself back to a regular level of chill. He flashes his devilish grin back to the junior reporter, still awkwardly standing by.

No music is played as Jestal and Morrow come out not scheduled to be in the ring at this time.

**DDK:**

Well, it appears we are going to have a visit from the "Jester of Defiance" Jestal.

The two men make their way to the ring while Keebs and Lance continue.

**Lance:**

The rift that seems to be growing between the two siblings dates all the way back to DEFTV 149. Where the downward spiral for the siblings began.

The two enter the ring to a chorus of jeers.

**Lance:**

The jealousy of Jestal started to surface and all over his sister having a boyfriend named Klein. He would then eventually get a bombshell dropped on him about Klein getting his sister pregnant. This meant The Toybox was going to have to separate. He of course looked at the negative of that happy moment.

**DDK:**

All to fall into the hands of Tom Morrow and Better Future. When Dandelion came back after a sudden miscarriage Jestal was determined to reunite The Toybox, but he had to get rid of Klein to make his sinister plan to work.

**Lance:**

Yea, and talk about putting his sister through an emotional ringer, he finally got his wish after a letter Klein supposedly wrote to Dandelion. Only it did not give the reaction we all expected from the silent sister. To this day we all wonder what exactly was in that letter to set all this into motion. Does Ozmoses have an alternative motive?

**DDK:**

Regardless of the fact, Jestal finally got his wish, but since he finally reunited with his sister she has not had any sort of teamwork with her brother like the Toybox of old. In fact, it seems she wants to not only beat up her opponents but also her brother.

**Lance:**

It all came down to the loss at the hands of Minute and the Bride to Be Titaness on DEFTV 165.

Jestal gives a moment for the fans to shut up, the jester is in a lime green suit. After a few moments, he finally talks.

**Jestal:**

**DDK:**

**Ozmoses Greaves:**

Well, hello Haole.

**Jestal:**

The name is Jestal, I called for my sister, not you!

Oz paces the stage talking down into the microphone.

**Ozmoses Greaves:**

Unfortunately, Jestal she is not here tonight. *[he looks up from his mic]* Don't get upset, she wanted to give you a message from me.

**Jestal:**

So now she has a messenger boy?

Oz chuckles for a moment.

**Ozmoses Greaves:**

Actually, I told Iki Lede to take the night off and get some well-needed time for herself. She knew you would come out here stomp your feet and piss and moan so she had a present to give you.

**Jestal:**

Present?

A stagehand walks from the back with a little miniature toybox in his hand. He enters the ring and hands it to Jestal.

**Ozmoses Greaves:**

Go ahead and open it.

Jestal raises an eyebrow but slowly opens it. He pulls out an index card.

**Ozmoses Greaves:**

You want your issues resolved then at DEFCON you and her in that ring in a TOYBOX match!

The Faithful cheer at the announcement.

**DDK:**

A Toybox Match? What in the world is that?

**Lance:**

Well, Jestal wanted to bury the hatchet. I guess this is the way Dandelion wants to resolve this.

**DDK:**

Will Jestal accept though?

Oz nods with a smile and heads back to the backstage area. Jestal stares at the index card, a bit stunned before he crumbles the card up in his hand. Tom and Jestal have a conversation as they exit the ring, leaving the toybox in the ring.

On Uncut last week it appears the Heads of this Cerberus consisting of Mr. Fear, The Guilded Hand, and Crimson Lord had to change their plans. With the current FIST Jason Reeves torching their lair.

**DDK:**

It appears they are gonna make sure Scrow walks out with this championship.

Hive appears first, in a white and gold Selene Underworld like outfit, with her Kabal black leather jacket. Finally the champion makes his way out dressed in the same color scheme as Hive. With white boots, yellow shin pads, and white trunks with yellow birds on the side. His black leather venom style jacket on.

**DDK:**

Scrow clearly looks irritated here tonight. He is being forced to defend his championship on a DEFTV.

**Lance:**

That is not all, it appears he is not too thrilled with The Cerberus out here with him, as he storms to the ring followed by the rest of The Kabal.

**Darren Quimbey:**

Ladies and gentlemen, the following contest is for one fall, and will be for the DEFIANCE SOUTHERN HERITAGE CHAMPIONSHIP!

*RRRAAAAAHHH!!!*

**Darren Quimbey:**

Introducing first, the challenger! Weighing in at two-hundred and forty-six pounds, and fighting out of Seattle, Washington... he is the former Favoured Saints Champion... SEATTLE'S BEAST... the PACIFIC BLITZKRIEG...

KEEEEEEEEEERRRRRRYYYYYYYYY KUUUUUUROOOOOOYAAAAAAAAAMAAAAAAA!!!

Kuroyama pumps his fist and the crowd roars in support!

*FOUR-AND-OH!! FOUR-AND-OH!! FOUR-AND-OH!! FOUR-AND-OH!!*

**Darren Quimbey:**

And the opponent... hailing from the Fields of Torment, and accompanied by THE KABAL... he is the reigning SOUTHERN HERITAGE CHAMPION of DEFIANCE! The UNHINGED... the RAVEN'S EYE...

SSSSSSCCRRRRRRRRROOOOOOOOOOOOOOOOOOOOWWWWWWWW!!!

Minerva Hive raises the title high into the air. The Faithful JEER LOUDLY, but the SOHer Champion blocks them out, staring daggers across the ring at Kerry. The members of Cerberus clap him supportively on the shoulders and back.

**Lance:**

It's not a comforting sight to see that Scrow has the Kabal backing him up tonight.

**DDK:**

Not much of a surprise either! Should Scrow lose that title tonight, it would throw his leadership of the Kabal into question!

Benny Doyle goes to retrieve the title, but Hive elects to keep it for herself as the members of the Kabal exit the ring. Rick, Victor, and Green Reaper effectively surround the ring. Kerry looks around to give consideration to their locations, before turning his attention back to Scrow and getting ready in his corner.

**DING DING**

**Lance:**

And so it begins.

Scrow and Kerry circle each other, but just as Kerry goes to lock up Scrow exits the ring. Kerry gives a cold stare down at Scrow who just shakes his head walking around Green Reaper before walking on the steps, only to jaw with a few fans in the front row before entering the ring.

**DDK:**

Well, I can't say I'm surprised to see Scrow having cold feet right out of the gate.

**Lance:**

Be as it may, any champion will have to face the music sometime.

Scrow and Kerry once more circle, and lock up. Kerry quickly moves to a side headlock and spins Scrow over down to the mat with a headlock takeover. Scrow struggles to get back to a vertical base as he does. He whips Kerry into the ropes, only for Kerry to return with a shoulder block knocking him down. Kuroyama hits the ropes again, and Scrow leap frogs and tries to hip toss Kerry on the return, but Kerry flips onto his feet. He pulls Scrow in once more into a headlock then once more back down the mat.

**DDK:**

Quick moves by Kuroyama, and he has brought Scrow to the mat!

**Lance:**

Kerry is definitely one his game here tonight. He looks fully healed up from DEFIANCE Road, and fully confident in his abilities.

Scrow once more gets to a vertical base and drives a few elbows into the gut of Kerry, before once more irish whipping him off the ropes. Scrow quickly ducks his head down, only for Kerry to kick him right in the mouth, and quickly hit a lariat and goes for the cover!

ONE.

Scrow quickly kicks out and Kerry once more goes right back to the headlock.

**Lance:**

Kerry keeping Scrow grounded to avoid his striking offense, a sound strategy there.

**DDK:**

Unlike his final defense of the Favoured Saints Title, he's had ample time to prepare for this match-up! But let's not forget how the Kabal love to play out their schemes...

Scrow spins to a sitting position before reaching above his head trying to dig his fingers into Kerry's eyes. Benny is right there to admonish Scrow, but the Raven's Eye was able to gouge Kerry's eyes enough to force him to break the hold. Kuroyama staggers a bit trying to get his sight back. Scrow rolls to his side then hops to his feet, hits the ropes and launches himself at a stunned Kerry with a knee. Kuroyama manages to duck the knee, and grabs Scrow by the chin into a neck breaker!

**DDK:**

NECKBREAKER by Kuroyama! Kerry used his sixth sense to counter his sight there. He dodged a bullet there and managed to get back control here.

**Lance:**

Kerry still is trying to shake the eye gouge effects away, but he is back on the assault here with a body slam!

Kerry continues by picking up Scrow into a vertical suplex, rolling over to a second, then a third, right into a brainbuster

for the fourth. Hive puts her hands on her head.

**DDK:**

Rolling suplexes, and Kerry goes for the cover here!

ONE.

TWO!!

Rick grabs Scrow's foot and puts it on the bottom rope. Benny notices Victor pointing at the rope break, and he stops his count.

*BOOOOOOOO!!!*

Kerry stares at Rick and Victor fist bumping their save. The challenger gets up and is waiting for the champion to do the same. Instead, Scrow catches him off guard with a low sweep kick to drop him back to the mat. The Raven's Eye instantly rolls to his feet.

**DDK:**

Hold on, Scrow with the sweep out of nowhere... and LANDS a SPINNING KNEE STRIKE to Kerry's jaw as he was getting up!

**Lance:**

WOW! Was that an instant knockout?!

**DDK:**

Kuroyama just fell to the mat in a HEAP! Now Scrow goes for the cover, to retain!

ONE!

TWO!!

KERRY GETS THE SHOULDER UP!

The Faithful breath a sigh of relief, but the moment doesn't last as Scrow immediately takes to his feet and aggressively kicks Kuroyama's back and neck! The challenger can only cover up and roll out of the ring to avoid having his head kicked in. On either side, Rick Dickulous and Victor Vacio slowly close in.

**Lance:**

And here come the Kabal's hounds of hell...

**DDK:**

Kerry has nowhere to go but back into the ring -- and Scrow is RIGHT THERE to meet him with a BOOT to the head!

Two more straight stomps to Kerry's head leaves him groggy on the mat. Scrow hurries to the near corner and pumps himself onto the second rope, waiting for Kuroyama to rise in a complete daze. Kerry turns around as he dives off...

**DDK:**

DIVING DDT by the SOUTHERN HERITAGE CHAMP!! He hooks the leg!

ONE!!

TWO!!

NO!! Kuroyama kicks out once more!

**Lance:**

But the champion has finally got this match at a pace to his liking! This is the very situation Kuroyama was trying to avoid!

Scrow mocks Kerry as he beckons him back to his feet. Even hurt, Kuroyama heroically rises. Scrow quickly cuts him down to size with a kick to the mid-section to double him over and an axe kick to the back of the head to drop him to the mat again.

**DDK:**

Scrow has legs of DEATH right now! Now he takes a bump off the ropes... Kerry rising to his feet, going HIGH -- but SCROW GOES LOW with the KITCHEN SINK!!

Kuroyama rolls over onto his side, clutching his abdomen while his face stretches with agony. He gets back to his knees, but Scrow takes another run off the ropes behind him, and FACEPLANTS HIM into the canvas with a running DOUBLE STOMP into his back!

**DDK:**

OUCH!! The champion forces Kuroyama to kiss the canvas!

**Lance:**

Kerry's gotta get something going soon, or Scrow is going to run away with this!

**DDK:**

Scrow going for a SLEEPER now -- Kerry GETS A HAND in there, but the Southern Heritage Champion has him LOCKED IN and SQUEEZES AWAY!

Kuroyama struggles to break the grip, but Scrow turns him onto his belly and leverages the hold. Long moments pass as Kerry fights the holds. The fans begin cheering him on.

*KER-RY!! KER-RY!! KER-RY!! KER-RY!!*

**DDK:**

The FAITHFUL are letting themselves be heard! They want to witness Kerry Kuroyama fulfill this journey TONIGHT! He CAN'T give up on them now, after everything he's been through!

Through sheer willpower, Kerry begins crawling toward the ropes, inch by inch. Scrow's head shakes in disbelief. Cerberus congregates by that side of the ring and tries to pull the rope out of range, but the official quickly shoos them off.

**DDK:**

Get outta here, you hyenas!

**Lance:**

He's so close now...

Kerry reaches out, inches away...

**DDK:**

HE'S GOT THE ROPE!!

*RAAA--BOOOOOO!!*

The moment is ruined as Scrow immediately breaks the hold and goes back to stomping the life out of Kerry on the mat. Referee Benny Doyle finally pulls him off and backs him up to the distant corner. While his back is turned, Green Reaper BUZZES Kerry's head with a running elbow!

**DDK:**

HEY!!

**Lance:**

Well THAT was a cheap shot!

Benny turns around to see Kerry writhing on the mat, clutching his face. He looks to the ringside area, but only sees a smirking Rick Dickulous giving an innocent shrug. Scrow quickly presses his advantage, pulling Kuroyama up by the hair, grabbing him by the head, and driving his face into his knee --

Scrow sprawls wildly onto the mat. The crowd is cheering wildly as Kerry picks him up and puts him into the pumphandle position...

**DDK:**

Kerry smells blood in the water, Scrow's has no idea where he is right now.

**Lance:**

Kerry has him up....

As Kerry gets Scrow up for the Kuroyama Driver, Scrow's foot nails Benny in the head, knocking the referee down!

**DDK:**

Kuroyama has no idea Benny was clipped by Scrow!

**The Faithful:**

ONE....TWO....THREE!!

Kerry quickly gets to his feet now noticing Doyle out cold, he goes to check on him.

**DDK:**

WAIT A SECOND!!

Without warning, Kuroyama drops to the mat, and gets dragged under the ropes by his legs! As soon as he hits the ringside floor, he disappears beneath the dual barrage of stomps from Vacio and Green Reaper. The Faithful ROAR ANGRILY!

*BOOOOOOOO!!!*

**Lance:**

Now that the official is down, Cerberus are wasting no time in getting involved on the behalf of the Kabal leader!

**DDK:**

This is absolutely despicable, Lance! At the very least, Kerry deserved a clean shot at this championship! Now the Kabal are robbing him of that opportunity by force of numbers!

Scrow falls into a corner to take a much needed moment to catch his breath, while Minerva Hive climbs the apron and consoles him. Away from the action outside the ring, Benny Doyle seems to be shaking out the cobwebs. Then a large hand grasps him by the ankle.

**DDK:**

WAIT, NO!!

Rick Dickulous pulls the referee under the ropes and Benny hits the ringside floor HARD! Again, the crowd roars vehemently! Rick mockingly throws up his hands and pleads innocence.

*BOOOOOOOO!!!*

**Lance:**

And there goes Benny, as Rick insists to the audience that he's just trying to check on the official's condition.

**DDK:**

Or rather, moving him to a place where he can't see his fellow members in Cerberus absolutely assault Kuroyama on the other side of the ring!

On the floor at one side, Vacio has Kerry pulled into a kneeling surfboard stretch while Greenie kicks his exposed ribs. Kuroyama howls in agony! On the other side, Rick makes like he's patting the ref on the back, while also subtly pulling the apron over his head.

**Lance:**

Benny has no idea where he is right now. That drop to the floor may have done a better number on him than the bump he took moments ago.

**DDK:**

And that's just how Rick would like him to stay, while his cronies go to work on the defenseless Kerry!

*BOOOOOOOO!!!*

The booing rises in volume and trash flies into the ring. Scrow, stumbling out of the corner, triumphantly holds out his arms and spins himself in a circle, soaking up the hate and relishing his show of power.

**DDK:**

This is a TRAVESTY, Lance! And look at that smug weasel Scrow just enjoying all of this! He's tarnishing the legacy of that title!

**Lance:**

I don't think he cares, Dean. The Kabal is all about taking what they want and keeping it for themselves, through whatever means possible. "Legacy" means nothing to them.

**DDK:**

They're beating Kerry to a pulp out there! When they're done with him, he's going to be easy pickings for Scrow! All they need to do is roll Benny back into the ring at the right moment, and--WHOOOAAHH, WAITAMINNIT!!!

The crowd suddenly flips as two bodies come streaking down the ramp. A dropkick lays out Green Reaper, while Vacio goes down from a lariat.

*RRRAAAAAHHH!!!*

**DDK:**

IT'S THE RAIN CITY RONIN!!

Almost as quick as they go down, Victor and Greenie get pulled back to their feet and fall prey to raining fists from "SKYFIRE" ZACK DAYMON and LEO BURNETT!! Scrow's mouth hangs open in surprise as on the other side of the ring, Rick looks up, sensing something wrong.

**Lance:**

I guess the Guardians haven't forgotten their pledge to fight the Kabal against all odds!

**DDK:**

There was no way they were going to stand by and let them steal this opportunity from their friend, Kuroyama! Vacio and Green Reaper have no idea what hit them!

Daymon and Burnett split the two up before whipping them into each other. Off the impact, Vacio backs into a double-underhook suplex from the Iceman while Greenie stumbles into a backcracker delivered by Skyfire!

**DDK:**

DOWN GOES VICTOR VACIO!! DOWN GOES THE GREEN REAPER!!

**Lance:**

Kerry finally has the chance to catch his breath!

Rick puts a boot to the back of the official's head to keep him on the floor before charging around the ring to the aid of his comrades. The Rain City Ronin are waiting for him: Daymon vaults off the steps and lands across his shoulders as Burnett tackles his mid-section.

**DDK:**

SPRINGBOARD HURRICANRANA OFF THE STEPS by DAYMON! DOWN GOES RICK DICKULOUS!!

**Lance:**

These guys used the element of surprise to overcome the numbers, and now they've got Cerberus on the run!

Minerva Hive is screaming at Scrow, begging him to do something, but the SOHER Champion wisely lingers in the ring as the Rain City Ronin pick up the members of Cerberus and herd them back up the rampway with their fists! Kuroyama is left sitting against the steps, weak and exhausted, but still with it.

**DDK:**

Thanks to that intervention, things can finally be brought back to order again! First, we need someone down there to check on the condition of Benny Doyle, and then... wait, where is Scrow going?!

**Lance:**

He sees his opening, and he's going for it!

As the chaotic moves up the ramp and back through the curtain, Scrow drops through the ropes and sneaks around the ring. Kerry is in the process of trying to push himself off the steps when he looks up and sees Scrow sprinting at him.

*CRASH!*

**DDK:**

RUNNING DROPKICK to the CHEST, and Scrow just smashed the weakened Kerry Kuroyama up against the STEEL STEPS!

**Lance:**

Like the vulture he is, here comes the Southern Heritage Champion to pick the bones clean.

Scrow is moving quick, desperate to take full advantage of the situation, and pulls Kerry off the steps before rolling him back into the ring. Kuroyama, working only off of muscle memory at this point, rolls over onto his chest and struggles to push himself back up as Scrow slides in after him.

**DDK:**

Scrow is picking his shot! Kerry slowly gets himself up onto rubber legs... he barely knows where he is at this point! Here comes Scrow... RAVEN'S CALL!!

**Lance:**

But Kerry got the hand up!

Kuroyama tries to block it, but even with the hand to absorb the blow, the impact of the high roundhouse kick sends him ragdolling back to the canvas. The champion is about to move in for the cover, until he remembers the one missing piece: the ref!

**DDK:**

Scrow has the chance to retain his championship, but there's no official on hand to make the count! Benny Doyle is still groggy on the floor outside!

**Lance:**

Looks like karma has come back to haunt the Southern Heritage Champion!

Scrow runs to the ropes and yells at Minerva Hive to resuscitate the referee. She is mostly slapping Benny across the back of the head, but it seems to be having some effect. Behind Scrow, Kerry attempts to push himself up, but flops back to the mat.

**DDK:**

Kerry has nothing left at this point! After the attack at the hands of Cerberus, and taking the Raven's Call, I don't see how he can possibly turn this around!

**Lance:**

You might call Scrow a coward, but you have to admit he has cunning in situations like these. I think Doyle is finally coming to...

**DDK:**

The Southern Champion has this match in the palm of his hand, as he takes Kerry by the hair to finish things once and for -- KERRY WITH A FOREARM to the MID-SECTION -- HE'S ON HIS FEET!

With a primal ROAR, Kuroyama bursts up and hooks Scrow by the arms...

*SLAM!!*

*KER-RY!! KER-RY!! KER-RY!! KER-RY!!***DDK:**

I DON'T BELIEVE IT!! WHERE did the Pacific Blitzkrieg get this ENERGY?!

Kuroyama looks as though he might collapse with every step, but still musters up the strength to step through the ropes to the outside where he promptly shoves Minerva Hive to the side and pulls Doyle off the floor to roll him back into the ring. The ref is groggy, but stirring to life.

**DDK:**

The official is back in the ring! Scrow is DEFENSELESS!! THIS IS IT!! THIS IS KERRY'S MOMENT!!

Hive tries to grab Kerry by the legs as he slides inside, but a swift kick knocks her to the floor! Scrow is a fumbling mess on the mat as Kuroyama effortless pulls in him into the arm trap and lifts him off the mat with the pumphandle.

**DDK:**

HERE IT COMES!! ONE MORE KUROYAMA DRIVER TO PUT THIS ONE IN THE BOOKS!!

**Lance:**

This is it, Dean! We have a new Southern Heritage Champion in the making!

Kuroyama pivots around to the center of the ring... and stops in place. Someone is standing there, having just slipped into the ring. Kerry's face goes white as the crowd goes deathly silent in shock. As such, the impact of the savate kick rings through the entire arena.

*SMACK!***DDK:**

It's Tyler Fuse! These two have a very complicated history!

Kuroyama collapses with Scrow on top of him. All at once, the crowd SCREAMS bloody murder! Tyler glances back to see that Benny hasn't quite woken up yet, and promptly yanks the Pacific Blitzkrieg to the mat. Kerry barely has time to defend himself before the elder Fuse jabs him in the throat.

**DDK:**

Scrow takes the SOHER title and exits the ring. IMMEDIATELY after, an absolutely reckless Tyler Fuse starts laying knee after knee into Kerry Kuroyama's temple. Kerry tries to get up but Tyler overwhelms the former Favored Saints Champion with another knee and another and another... and there's just no end in sight.

### ***DING DING DING DING DING***

The bell rings wildly but Tyler is a man possessed. He lifts Kerry to his knees, bounces off the ropes and drills a left knee into Kuroyama's face. Spit goes flying, his lights are turned OFF.

#### **DDK:**

An awful attack right now!

#### **Lance:**

Kerry is completely defenseless.

*WHAM, WHAM, WHAM*, knees abound as Tyler has ensured Kuroyama won't be getting up anytime soon. Finally, the elder Fuse props Kuroyama to his knees once more but The Pacific Blitzkrieg can't do it. He is out, done, finished. He merely falls over. Fuse doesn't even look angry. Instead, he walks over, drops a final knee on Kerry's skull and then drags the former SOHER challenger to the edge of the ring. Tyler exits the squared circle, asks for a mic and hops up onto the apron. Fuse sits on the apron, feet freely below, with a passed out Kerry Kuroyama laying beside him.

#### **Tyler Fuse:**

Kerry.

It's all Tyler says to a chorus of boos. DEFSec has come out since the attack but they wait in the middle of the rampway, seeing Tyler has not attacked Kuroyama further. They don't want to provoke anything else from a physical standpoint.

Fuse turns to Kuroyama. The Seattle native's hand has fallen from the apron and dangles freely below.

#### **Tyler Fuse:**

Once upon a time, you were weak and I knew it. It's been a while, hasn't it? Almost three years ago when Seattle's Best, Kerry Kuroyama and Scott Douglas faced The Fuse Bros.

Tyler smirks and shakes his head.

Back then my brother called you The Specific Blitzkrieg.

Fuse looks over to his fallen DEFIANT.

#### **Tyler Fuse:**

And then Intensity Personified continues into his story.

#### **Tyler Fuse:**

Regardless of the dumb saying, my brother and I knew to target YOU, Kerry, and we most certainly did. You were the weak link of the group. I took you out for six months with a figure four leg lock on the ring post... but eventually you came back, fought me one-on-one.

Tyler pauses.

**Tyler Fuse:**

Well, I also won that battle. I proved you were weak for a second time.

Fuse shakes his head.

**Tyler Fuse:**

I thought you'd get the memo. You're weak, go home, it's over. Instead, Kerry Kuroyama comes back from defeat. He works harder... trains harder... and, now, you are successful. Not just any success, either. Quite possibly the top of the DEFIANCE tier. Christ, you'd be Southern Heritage Champion now too if it wasn't for me a few minutes ago.

Fuse glances at the fallen Kuroyama, Kerry's hand still dangling freely.

**Tyler Fuse:**

I can't have this, Kerry. I took you apart because I KNEW you were a failure. If I would have known all of your recent success was possible, I may have left you alone.

DEFSec continues to hold space in the middle of the rampway.

**Tyler Fuse:**

They say to me I'm the one who's wasting time in DEFIANCE. I am the failure. For a year now I've sat idly, waiting for a time to strike. I took a backseat to Jason Reeves' nonsensical plans but the man made it work. He is the FIST of DEFIANCE. Scrow, the emo ravaged teenage angst wannabe holds the secondary championship only by name but not in stature. To become SOHER is to legitimately prove your worth in the greatest wrestling company of all time. I sit here, I watch from the sidelines and I don't do much.

Concern crosses Tyler's face.

**Tyler Fuse:**

I am a methodical, mother fucking killing machine if I want to be Kerry. And right now, I WANT TO BE. You... your success... my failures... it has given me a shot in the arm. I am no longer indifferent. I see you reaching new heights and I tell myself I should be in your role. I can hit harder, wrestle better and I'm more technically sound than nine-tenths of the roster in the back.

Fuse pats Kerry on the chest.

**Tyler Fuse:**

I'm proud of you. I know I shouldn't be the judge, jury and executioner of DEFIANCE but I am... or at least now... I will be. You have awoken something in me, Kerry. I recently did that thing where you 'look in the mirror'. I noticed I'm the one who doesn't have anything. I used to shout 'YOU FAILED DEFIANCE' to others but I am the one who's failed. Thank you for the self-reflection.

Fuse looks towards the hard camera, cold and dead.

**Tyler Fuse:**

My disposition changes, effective immediately. I will become the most successful DEFIANT moving forward. I will be the purifier of wrestling, ending those who have failed this organization. I will do what I was set out to. Inside this ring, I will hit harder than you think, throw more force than you can imagine and stun those who doubt my name.

Fuse pats Kuroyama on the head.

**Tyler Fuse:**

I challenge you to a match at DEFCON but allow me to preface it with an apology. I will finish what I started. I will pull you down from your success. I will replace you. And this time, my friend, I will not pause your career for six months with an injury. No. Instead, I will end you...

Tyler hops off the apron.

**Tyler Fuse:**

For good.

Fuse lays the mic on the time keeper's table and walks up the rampway.

The camera cuts back to our announcer duo.

**DDK:**

It's been an exhilarating show, folks, but we aren't done yet! By virtue of his competing for the Southern Heritage Championship in our last match, Kerry Kuroyama officially vacated the Favored Saints Championship and we are wasting absolutely no time in crowning a new champion!

Eyes locked on the ring, he stops at the top of the ramp and dramatically steps aside in time for the emergence of his frothing, snarling charge.

**Darren Quimbey:**

Now heading to the ring... accompanied by his handler, Lord Nigel Tricklebush... making his DEFtv debut... he weighs 268 pounds and hails from Parts Untold... Call him... CORVO... ALPHAAAAA!

Corvo slides into the ring and slinks to a corner, coiled and ready to strike. Face crudely smeared in black paint, chest equally smeared in red. Eyes darting all over the building, they finally narrow at the sight of CCK, collecting himself now outside the ring. The camera catches several fans pat the youngster on the back as Lord Nigel ascends the ringsteps and joins his charge in the ring.

**Lance:**

You heard our colleague, Darren Quimbey, make reference to it right there – this is the DEFtv debut of Corvo Alpha... and what a tremendous opportunity and spotlight. After making a shocking debut at DEFIANCE Road by effectively removing Henry Keyes from DEF, the wrestling world has been waiting for Corvo Alpha to step up and prove something on a major stage in the middle of the ring. He will certainly have that chance tonight!

The lights dim one final time.

*RAAAAAAHHHHHHHHHHHHHHHH!!!!!!!*

She takes just a moment to appreciate the love coming from the Faithful before making her way down the ramp, bumping select faithful-fists along the way. Her eyes are trained only on the ring.

We’ve been talking about opportunity, Lance... talk about an opportunity for this young athlete. Not only is this her first singles DEFtv main event in her career, but a real chance to capitalize on her recent success in DEFIANCE! She’s had opportunities at the Favoured Saints Title against Kerry Kuroyama that arguably got her noticed!

**Lance:**

No doubt about it... however, after what went down earlier this evening and what happened to her fiancé, Uriel Cortez at the hands of ADV and the Lucky Sevens... you have to believe that she is coming into this match with her attention divided. This is her biggest test to date – can she focus on the task and match at hand and walk out the Favoured Saints Champion?

**DDK:**

The good news for her – for everyone else in this contest – is that it appears that our championship 4-way has become a triple threat match with the unexpected no-show by Search Party Cyrus!

Titaness raises her fist in each corner of the ring, expression stoic and unchanged – all business. When she approaches the corner Corvo Alpha waits in, Alpha rises to his feet and the two meet, chest to chest, eye to eye. Hair wet and stringy in his eyes, Alpha glares up at her with malice. Titaness scowls back down at him, unimpressed, arm still raised. She steps away to eye the hard camera, pumping the arm one last time to a hail of adoration and flashbulbs.
