DDK:

Welcome to UNCUT! Coming off a HUGE episode of DEFtv 200, we kick off the action with New Orleans' favorite sons, the Gulf Coast Connection: Wingman Titus Campbell goes one-on-one with "The Wise Ass" Tripp Wise!

Lance:

The Gulf Coast Connection are looking to follow up on a win a few weeks ago against The Dunson Clan with Campbell in singles action! This match is coming up right now! Let's go right to ringside to kick off the in-ring action!

The opening bell sounds as Darren Quimbey gets ready to call the action.

Darren Quimbey:

The following singles match is your opening contest of UNCUT and is set for one fall! Introducing first...

The Gulf Coast Connection take a moment to pose and pump up the crowd, soaking in their very respectable response from the Minnesota Faithful!

Darren Quimbey:

With his cohorts welcoming him to the ring, Campbell raises his hands in the air and throws his silver colored Mardi Gras hat into the crowd! Darren Quimbey:

And his opponent... from Tacoma, Washington, weighing in at 231 pounds... **"THE WISE ASS" TRIPP WISE!**

Tripp Wise looks out to the NOLA Faithful and motions for his music to be cut as he speaks.

Tripp Wise:

about as hard as I did when I heard this joke earlier today. You ready? I'm about to tell you all a great joke.

He rolls under the ropes and then stands up.

The big powerhouse of The Gulf Coast Connection gets cheers from The Faithful as he picks up Wise.

Titus Campbell:

Here's a joke, my man. How do you make a Wise Ass Fly?

He then BIELS him halfway across the ring and sends The Wise Ass crashing into the canvas!

Titus Campbell:

Wise hobbles around the ring and tries to get back on his feet, only for a big clothesline from Titus Campbell knocks him over the top rope and sends him spilling out to the floor below! Titus takes in the applause!

DDK:

Wise's actions have already come back to bite him! The Gulf Coast Connection are always so popular especially when DEFIANCE has its shows from home base here in NOLA!

CCK and Theodore Cain watch as Wise hobbles around holding his back in pain outside the ring. When he turns around and sees Titus Campbell coming out of the ring after him, he hightails it outside the ring as Titus gives chase. Wise runs right through Cain and the Crescent City Kid and then runs a half circle around the ring with Titus still behind him.

DDK:

Wise back in the ring! He's trying to create some distance... No! Titus was trying to climb back into the ring and Wise just nailed him full on with that basement dropkick!

Lance:

Clever move by Wise to sucker him in like that.

Titus is holding his forehead in pain after being struck by the dropkick. Wise finally has the vertical advantage with his larger opponent now being grounded. Near the ropes, Titus has the boots put to him while he's grounded! Wise continues to keep up on the attack by running to the ropes and coming back with a baseball slide dropkick that knocks Titus Campbell out to the floor!

DDK:

Wise now back on the offensive, then goes outside to the ring apron. Where's he going?

The PUN-isher readies himself on the ring apron and then charges off the apron with a running hip attack that catches Titus unexpected in the face and knocks him to the floor again! The Faithful boo the comedian-slash-wrestler as he hops up to his feet and pats his own posterior.

Tripp Wise:

Now THAT'S a bad ass!

Lance:

How's he so loud?

DDK:

I have no idea. But Wise has to get him back in the ring! He put up a good fight a few weeks ago against Punch Drunk Purcell for the BRAZEN Onslaught Title and this would be a good rebound win if he could pull this off!

Titus tries to get back under the bottom rope and Tripp Wise pushes him inside the ring. As Titus tries to recover, Wise goes to the top rope quickly and then takes flight with a flying seated senton!

Lance:

Gentlemen's Agreement are a wonderful team, but Lord Sewell has had that singles success in BRAZEN as well!

Lord Sewell starts to deliver a flurry of knees to the head of Nathan Cross while he's down. With Cross bent down to a knee, Sewell continues the assault by driving a pair of elbows to the back of the neck. Cross is hurt while Sewell takes

his sweet time walking over to Roberts and Monroe on the outside before giving them each a gentlemanly handshake through the ropes.

Lance:

I'm thinking Lord Sewell needs to focus on the man in the ring in front of him and not exchanging pleasantries with his lackeys.

Sewell holds up a left hand that catches Cross' attention before coming out of nowhere to BOP Cross in the jaw with a right!

DDK:

And that Gentlemen's Right wasn't very gentlemanly!

Lance:

Sewell goes back to the leg and then attacks with a quick series of simple and effective elbow drops to the hamstring to keep Cross from using his signature leaping abilities. He attacks one more time and then picks him up by the leg and slams the knee into the mat! Cross is reeling while Lord Sewell takes his sweet time with his arms behind his back.
